1. Treasurer's Report - Jim reported that we have about \$3,719.79 but had about \$350 in checks to disburse.
  
2. New Business
  - A. Canfield Ave. Clean up - Oct. 5<sup>th</sup>, 1:00 p.m., we meet at the Inspection Station and should have a good turnout. This earns the Pack \$500.
  
  - B. October Pack meeting - Oct. 24<sup>th</sup> 6:30-8:30pm at Pump It Up, Randolph - The kids get 90 minutes of jumping time and 1/2 hour for snacks afterwards. Cost is \$10 - Pack will pay \$5 for scouts, parents pay an additional \$5 per scout and \$10 for siblings. Den 2 hosting - deadline for popcorn forms in to leaders. Snacks will be provided by the dens - 1 salty, 1 sweet treat per den. Kyle and Brad will bring water and drinks. NO uniforms - Pack t-shirts if you have it or just regular t-shirts.
  
  - C. Scouting University - October 25<sup>th</sup> Randolph Middle School. This is a great way to get the training needed for new leaders in one local facility. Forms and information on the BSA website.
  
  - D. Redeemer Fall Clean-up- date - possibly on November 16<sup>th</sup> at 1:00 PM. More information forthcoming.

E. November Pack meeting - November 21<sup>st</sup> at Redeemer - Maureen Katz chairing - "Operation Cubs Care" this Pack meeting is strictly community service activities. Maureen is working with a friend with contacts at a military hospital in Baghdad. Some activities will service Merry Heart and other local projects. In the past, dens were responsible for providing full turkey dinner supplies for patrons of Social Services. This year Jim Irving will be able to provide the turkeys and the dens will be asked to bring Thanksgiving food items to be donated to Social Services.

3. Cub Master report - many have seen the ShopRite display of Boy Scout popcorn. Each Troop/Pack kernel is responsible for stocking the display. Profits are divided by the Troops/Dens stocking the display. All thought the Recruitment night and Sept. pack meeting went well (story teller was entertaining to all.)

- Battleship trip has only a few sign-ups so this may be cancelled.
- We still have some leftover candy boxes - Trisha Irving will contact ShopRite to inquire about another date to sell the candy.
